Algerian Qatari Steel (AQS) is a leading steel manufacturer focused on excellence and modernization. With advanced facilities and a commitment to producing high-quality products, AQS plays a significant role in national and international markets, driven by sustainable growth, corporate responsibility, and continuous improvement.

AQS aims to strengthen its position in the steel industry by consistently delivering high-quality products. We prioritize health, safety, environmental protection, and energy efficiency through continuous improvement, supported by proactive leadership.

AQS is committed to:

- Maximizing customer satisfaction by addressing their requirements.
- Delivering products that meet or exceed expectations.
- Ensuring compliance with legal and regulatory requirements.
- Enhancing employee skills and knowledge.
- Collaborating with external stakeholders to deliver a high-quality product.
- Promoting a safe and healthy work environment.
- Consulting employees on health and safety matters.
- Minimizing the environmental impact of our activities.
- Improving energy efficiency and adopting sustainable practices.
- Ensuring impartiality and confidentiality in laboratory testing.
- Allocating resources to support our management system.
- Ensuring business continuity and increasing market share.
- Continuously enhancing our management system's performance.
- Communicating this policy to all stakeholders.

The success of this policy relies on the involvement and commitment of all AQS employees.
